## National Training Agency

### FROM T&T TO THE WORLD

Once again the National Training Agency (NTA) collaborated with the Trinidad and Tobago Manufacturers' Association (TTMA) to participate in their annual Trade and Investment Convention (TIC). This year's event was entitled "From T&T to the World", and was held from July 6th to 9th 2017, at the Centre of Excellence in Macoya.

The convention featured exhibitors from the following sectors: wholesale and retail trade, food and beverage and tobacco, home furnishings and products, energy, construction, printing, publishing, packaging and paper converters, automotive and marine, agricultural, transportation and storage and fashion.

Overall, the convention is a productive platform to buy and introduce new products and services, from local, regional and international markets, and one of the largest networking events in the region. It was also a great forum for the NTA to inform stakeholders about the company's products and services.
